## Tribute

*In recognition to all of our teachers, and the teachers of our teachers - women and men—who have made this event possible by sharing their love of the music and their loving, rhythmic hearts. We acknowledge the inspiration brought to us by pioneer women drummers, in our own communities and others.*

*We also recognize the inspiration of this event: the sisters in the Catskills who produce the Women's Drum Happen'n each summer (12th annual in 2009).*
